Glory (U.S.A.) Inc. Enhances Its Efficient Currency Management Solutions to the Casino and Gaming Industries

Glory (U.S.A.) to showcase new products and partnerships at the 2011 G2E Global Gaming Expo in Las Vegas

WEST CALDWELL, NJ, September 27, 2011 – Glory (U.S.A.) Inc., www.gloryusa.com, announced today it will attend the G2E Global Gaming Expo to be held in Las Vegas, October 4 – 6, 2011. The Glory booth #5154, will display products that provide productive and efficient solutions to meet the challenging needs of both large and small casinos, as well as other gaming institutions.

For over 60 years, Glory has been providing cash management solutions for financial institutions and retailers worldwide. This experience has enabled Glory to understand the needs of cash management and provide the ability to utilize their world renowned design and manufacturing expertise to bring quality, reliable and productive solutions to the US casino and gaming industry.

“We’re excited to attend the 2011 Global Gaming Expo. This event provides us with the opportunity to meet with hundreds of customers and provide them with customized product demonstrations focused on solving their cash management challenges,” said Tina Tuccillo, VP of Marketing and Product Strategy, Glory (U.S.A.) Inc.

This year Glory will unveil a new intelligent cash recycler designed for cash rooms / main banks-vaults and will introduce new relationships with some of the industry’s best cash-access providers to provide greater flexibility, more options and an even greater selection of cash access providers.

“We’re excited to showcase our wide assortment of gaming hardware and software solutions including the versatile SK-100A casino kiosk. The use of customer input is important to us and critical in the development of quality, reliable and productive solutions for the gaming industry. We also look forward to the unveiling of our new recycler to customers on Tuesday, October 4 at 11:00am in our booth” said Tuccillo.

Glory (U.S.A) invites you to visit them at Booth #5154 for a live demonstration of how Glory can turn your cash management tasks into cash profitable ones. To learn more about Glory and Glory products please visit www.gloryusa.com.
