

The New \$100 Bill: What You Need to Know

The Bureau of Engraving and Printing recently announced a new \$100 note will begin circulating in February, 2011. Here is what you need to know:

Our Goal is a Seamless Upgrade Program: Glory USA is conducting a country wide upgrade program to update all equipment models that read the new \$100 note.

Equipment Models Included in the Upgrade: The upgrade involves the following Glory USA models: GFR-1xx Series, GFR-Sxx Series, RBU-11, SK-1xx Series, USF-100/USF-V10, UW-100/200, UW-500/600

For More Information: If you have any questions regarding the upgrade process, pricing, or equipment involved, please feel free to send an email to NewMoney@gloryusa.com. We will reply in a timely manner to all inquiries.

Know Its Features. Know It's Real: For more information on the new \$100 bill, please visit www.newmoney.gov
